-SUMMER DANCE-

July 15, 1950 is the date, Oakmont Country Club the place, and 8:00PM is the time for the Precisioneer Summer Dance.

It should be a gala affair with our own Norm Elsbree furnishing the music until 1:00AM.

Rumors from a very reliable source have it that a special TV broadcast will be given at 8:00PM. There will be surprises we are sure no one will want to miss. Under the guidance of Cliff Dahl, dance chairman and Chuck Baumgard, ticket chairman everyone is practically guaranteed a good time. Tickets are now on sale and can be purchased from Chuck or one of his appointed agents for six bits per person.

-LENDING LIBRARY-

Our Librarian, Neva Parman reports three new books added to the library. They are: THE HEPBURN, by Jan Wescott; PRAIRIE AVENUE, by Arthur Meeker; and THE GREAT BLIZZARD, by Albert Idell. These are all 3¢ per day books.

Considerable discussion has been rife among readers of a new book: DIANETICS-A modern science for mental health. If enough requests for this book are received the book will be obtained. USE YOUR LIBRARY. Its there for YOU !

Why hast thou, O maker of men,
Put the lark's song in my soul,
and then
Embarred the doors? And so,
When I a heavenly song would sing
All that I to my lips can bring
Is the doleful caw of the crow.

---R. N. Coates

-COFFEE MACHINE-

The Precisioneers have now added a coffee machine to their battery of refreshment dispensers. Your club will realize a nice profit on each cup sold and from the take so far, gives every promise of being as sound an investment as the coke machine has proved. If the present rate continues it is expected that both these machines will be paid off by the end of the year at which time it may be voted to direct the profits toward a lowering of the club dues.

-BLANKET CLUB-

The very popular Precisioneer blanket clubs continue on their way with the oldest club in its 7th week and the newest in its 2nd. So far, Juanita Vanderford got a blanket for \$4, Cliff got one for \$5, and Donna Barnett got hers for \$6. Not bad prices for fine grade blankets!

-GOLF-

Results of the June Golf Tournament place Bill Singleton as first in the \$7.50 money, with Dana Nixon and Barry Willis tied for second in the \$4.50 money.

Foursome winners at \$2.00 each were: Bill Bratton; Cliff Godwin and Ted Salyer, tied; Bill McAbey; Art Davis; Jim Demarest and Ralph Barnett, tied; and Arnold Brown.

Matches were held at the Griffith Park Links immediately after work with 24 golfers competing.

The July tournament will be played on a Saturday, either the 15th or the 22nd.

-TABLE TENNIS-

After four weeks of play with a total of 51 matches completed, standings are as follows:

	Won	Lost
C. Miller	8	0
R. Dietrich	5	0
P. Metzger	2	0
D. Dodge	6	1
C. Brandon	3	1
C. Cole	5	2
W. Newcomer	5	2
H. Nylen	4	3
H. Norris	3	3
B. Singleton	2	2
H. Buseth	3	4
F. McColl	2	3
G. Bahr	1	3
L. Bentley	1	5
W. Carley	1	6
R. Jewett	0	2
N. Gillette	0	3
J. Pinto	0	5
J. Kramer	0	6

-BASEBALL-

The Precisioners Baseball team is now tied for first place at the end of the first half round of play.

There are six more games to the play-off - and these are the ones that tell the tale.

The next game is with the Snyder-Lynch team and they are the ones that gave us such a rugged go when last we played them.

So-o-o Be on deck next Friday, July 14, 8:30PM, Dia. #3, Olive recreation area, prepared for BLOODSHED

-MOVIE SCHEDULE-

10 July-Desert Venture-a story of oil in Saudi Arabia.

17 July-Mexico & Guatemala- a Pan American Airways travelogue.

24 July-Jungle Bread-Van de Kamp's Bakeries bring an unusual story of bread as prepared in the jungles of Dutch Guiana. After the movie a representative of the bakeries will distribute samples and there will be a drawing for cake prizes.

-DISCOUNTS-

It is felt that more members could be taking advantage of the Joe Riddle department of Discounts, Inc.

Joe is able to get a wide variety of items at a very substantial saving. For example-he recently procured an invalid wheel chair at a saving of \$15. Savings on such items as stoves and refrigerators can amount to as much as \$60 to \$75 dollars.

Some believe that when an item is obtained at a discount it must be a cash deal. This is not always the case as many dealers offer a time plan arrangement. It pays to check with Honest Joe Riddle !

-RHUMBA CLASS-

The Rhumba Class is progressing nicely(by leaps and bounds maybe?) as attested by the "smooth" dancers in evidence on Friday nights.

This will be the fourth in a series of 10 lessons to undoubtedly be followed by the formation of another "beginner" class and an advanced class for those now attending.

Watch for the bulletin announcing their initiation.

-PICNIC-

The Precisioners will hold their annual picnic Saturday, Sept. 23, 1950 at Mountain Oaks(same place as last year)so keep this date open on your calendar. Dick Miller will officiate as chairman and see to it that every-one is well supplied with refreshments.

*PRECISIONER NEWS-

In all probability there will not be a "Precisioner News"issued for next month. The editor and staff expect to be on vacation.

-JUNE GROOM-

Congratulations and best wishes to Bob Dietrich who committed matrimony last Friday.
